

PURGING PROCESS & NEW DROP/ADD POLICY

Purging Enrollment

Beginning January 1, 2008, the new state-wide Purging Process of no-shows and non-payers will be implemented. This process is summarized below.

- Payment for tuition and fees is due by 4:00 p.m. one business day before the first day of each quarter. Students who do not have documented Financial Aid or Third Party Pay will be dropped from all courses if payment is not received by the specified date. Students who have been purged (dropped) for non-payment must re-register for classes in the admissions office and make payment at the business office. **Late fees will be charged to all students who are purged and re-register.** Students who re-register and have not made payment by the 7th calendar day of the quarter will be purged (dropped) and will not be allowed to re-register.
- Registered students who do not show up for the first day the class meets will be “No-Showed.” Students will have to obtain written permission from the instructor to be readmitted to the class by the Registrar.
